**Name the Igneous Pluton**  
*Earth Science Assignment*

**Introduction:** The cross-section below shows several igneous plutonic features at depth and inside the Earth. Notice that numbers from 1-14 have been placed on these features. *The illustration is a representation and it is not drawn to scale.*

**Directions:** Print the assignment for submission to your teacher. Identify each of the 14 numbered features by name, placing the word **batholith**, **laccolith**, **dike** or **sill** next to each number in the table below. If you need assistance identifying the igneous plutons, this Geoteach.com lesson will help: **Igneous Plutons**.

Numbered Igneous Pluton	
1.	8.
2.	9.
3.	10.
4.	11.
5.	12.
6.	13.
7.	14.
